MANAGEMENT RECOMMENDATIONS

1. Review Furniture Pricing & Discounts

Analyze pricing, discount levels, and costs to improve Furniture's 2.5% margin.

2. Investigate Loss-Making Products

Review pricing, discounts, shipping costs, and demand for the bottom-profit products.

3. Strengthen the South Region

Investigate the causes of the South's lower sales performance and develop targeted sales initiatives.

4. Invest in High-Performing Categories

Continue supporting Technology while identifying ways to sustain its strong profitability.
